

Township of Douro-Dummer is moving to bids&tenders

June 28, 2023 – Douro-Dummer has officially joined hundreds of municipalities across North America in moving to a digital procurement management platform that makes the procurement process easier for buyers and suppliers on every bid opportunity.

The platform uses real-time technology to give suppliers easy access to up-to-date information relevant to their bids throughout the process, including questions, answers, addenda, reminders, and more.

Suppliers who do business with the Township of Douro-Dummer can take advantage of the following bids&tenders features:

- Upload and submit bids 100% electronically
- Track and manage bids at a glance with a custom, vendor dashboard
- Select personalized categories
- Receive automated email notifications of new bid opportunities, including addenda
- Work on a bid, save work, and see the bid closing countdown in real-time
- Withdraw and change bids, then resubmit if desired
- Receive automated confirmations when bids have been submitted, received, or withdrawn
- Eliminate mathematical errors with the built-in calculator
- Submit complete and compliant bids every time with the built-in compliancy checker
- Receive reminders if a bid has been started but not submitted 24 hours from bid close

See all the Township of Douro-Dummer's open bids on the platform today by visiting <https://dourodummer.bidsandtenders.ca/> .

About bids&tenders
