Re: Archaeological Assessment of 1604 Julia's Creek Road, Stony Lake

Dear Kevin,

This letter is simply to confirm that we completed the Stage 2 archaeological field assessment of the property at 1604 Julia's Creek Road, Stony Lake on June 01, 2023. Our field crew shovel and screen tested the entire property and reported finding no archaeological resources. When our detailed report is complete we will be recommending complete clearance to our regulating Ministry. If you have any questions, please feel free to contact me.

Sincerely,
