

Notice of Construction County of Peterborough Retaining Wall Replacement County Road 4

Please be advised that the retaining wall replacement on County Road 4 within the Township of Douro-Dummer near the intersection of Maryvale Road, will commence the week of August 16th, 2021 and is to be completed by September 3rd, 2021. Work will consist of the removal and replacement of the existing timber retaining wall, as shown in diagram below.

County Road 4 will remain open with temporary day flagging operations. Drivers should expect delays within the construction limits of the project. Please note that the above start date of the construction may be subject to change due to weather constraints and other factors. Every effort will be made by the County to keep the Township of Douro-Dummer and residents informed of any significant changes.

The County realizes that the construction work will be disruptive and will complete the work as quickly and efficiently as possible. Drivers are asked to exercise additional caution for pedestrian, cyclist and worker safety.

Please circulate this notice to interested parties within your respective agencies. We apologize for any inconvenience during the construction period and thank you for your patience.
