Addendum #1

RE: PW-2022-04 RFP for the Supply and Delivery of Front-End Wheel Loader

One update to the RFP:

Please note the following change on Page #27 under *Loader Attachments*.

“Loader will be equipped with JRB ISO coupler”

should read

“Loader will be equipped with JRB 416 coupler to work with existing attachments”

Any questions should be directed to Jake Condon, Manager of Public Works.
