Purpose and Effect of Application: On behalf of the Owners, Kevin Duguay (KMD Planning Inc.) has applied to amend the existing zoning on the property located at 2357 Lakeside Road, in the former Township of Dummer, (now the Dummer Ward of the Township of Douro-Dummer) in the County of Peterborough.

The subject property is currently zoned the Limited Service Residential (LSR) Zone and Environmental Conservation Provincially Significant Wetland (EC(P)) Zone as shown on Schedule B10 to By-law No. 10-1996, as amended. The subject property is an existing lot of record that is 0.18 hectares in size. The property is developed with a one-storey dwelling with sun porches, a one-storey detached garage and a shed. The existing dwelling and sun porches are located within the LSR Zone and are non-complying with a water yard setback of 8.0 metres to the dwelling and 5.5 metres to the sun porch at the respective closest points.

The Owner desires to demolish the existing one-storey dwelling of 94.1 square metres in area and replace it with a new two-storey dwelling with attached open decks as shown on the proposed grading plan prepared by Linwood Custom Homes, dated December 17, 2024. The new dwelling will have a ground floor area of 98.9 square metres and a gross floor area of 138.9 square metres. The proposed dwelling and attached open decks will generally be located within the existing footprint.

(continued)

The purpose and effect of the proposed Zoning By-law Amendment is to rezone a portion of the subject property from the Limited Service Residential (LSR) Zone to the Special District 262 (S.D. 262) Zone to facilitate the construction of a new two-storey dwelling with attached decks. The S.D. 262 Zone will permit the following:

1. A minimum water yard setback for the principal dwelling of 10.2 metres to the northeast corner and 8.0 metres to the southeast corner.
2. A maximum area of 53.3 square metres for all open decks and stairs within the required water yard with a minimum water yard setback of 5.5 metres to the southeast corner and 9.1 metres to the northeast corner.
3. A maximum building height of 9.25 metres.
4. The existing deficient lot area of 0.18 hectares (1,800 square metres).

All other applicable zones and provisions of By-law No. 10-1996, as amended will continue to apply.
