

The Corporation of the Township of Douro-Dummer

Request for Quotation for Heating Systems

RFQ-FD-2021- 02

The Township of Douro-Dummer is requesting quotes for the supply and installation of new propane heating systems. The two buildings, located at 435 Fourth Line of Douro are physically attached, but are separate. The fire station requires heating for the fire apparatus bays by way of hanging heaters. The bunker gear room, offices and washroom will have a separate heating system with air exchange to keep diesel particulates out of the area of the administration side HVAC. The Public Works building is one general garage space for the storage of vehicles and equipment.

1.0 Submission Requirements:

To submit a quote, please complete the following steps:

1. Complete the quoted pricing and all details.
2. Submit all pages of this document prior to the Submission Deadline of **12:00 p.m., local time, August 20th**. All email submissions are the responsibility of the sender to ensure the quotation was received by confirmation by email.

And shall be addressed to: cpedersen@dourodummer.on.ca
