A Zoning By-law is a legal document that regulates the use of land within the Municipality. The By-law states what each parcel of land can be used for, where and what types of buildings or structures may be located on the land and the requirements of lot sizes, parking lots, building heights and setbacks, etc. The Zoning By-law must conform with the Official Plan of the Municipality.

An application for a Zoning By-law Amendment is most often initiated when the zoning on your property does not permit a proposed development.

The following is an overview of the Zoning By-law Amendment Application/Review Process:

- 1) At the outset, you are required to consult with Township staff regarding any development proposal to determine if a zoning by-law amendment process is right for your proposal. A pre-consultation meeting will be held.

A zoning by-law amendment takes a minimum of 3 months to reach completion upon receipt of a "complete application". Additional delays may be caused by requests for further information or concerns raised at the Public Meeting.

- 2) Before submitting an application for a zoning by-law amendment, it is recommended that the applicant contact all neighbours within 120 metres of the proposed land, relevant ministries and agencies to inform them of their plans. This courtesy may prevent a possible delay in the processing of your application should someone not understand the nature of your request.
- 3) Upon receipt of a "complete" application for an amendment to the zoning by-law, your application will be taken to Council to have the application deemed complete as per the Planning Act and to obtain approval for staff to process your application. The Planning Act prescribes that a Notice of the Public Meeting shall be given at least 20 days before the day of the Meeting by mail to all property owners within 120 metres of the subject property and to the appropriate agencies.

You will also be required to post a Notice on the subject property.

- 4) The Public Meeting will be scheduled under the regulations of the Planning Act and will be held in the Council Chambers of the Municipal Building. It is recommended that the applicant and any other person having an interest attend the meeting or have a representative attend on your behalf.
- 5) All written submissions will be presented at the public meeting. The public in attendance also has the opportunity to express their interest in the application. If the application is approved at the meeting a By-law will be passed by Council.
- 6) Following Council's decision a Notice will be sent to the applicant and/or his agent and to each person who filed with the Clerk a written request for notice of the decision.

There is a **20 day appeal period from the date of the notice being mailed.** Subsection 34(19) of the Planning Act defines the parties that are eligible to appeal the decision to the Ontario Land Tribunal. No person or public body shall be added as a party to the hearing of the appeal unless, before the by-law was passed, the person or public body made oral submissions at a public meeting or written submissions to the council or, in the opinion of the Tribunal, there are reasonable grounds to add the person or public body as a party.

If no appeal is received within the 20 day appeal period, the By-law becomes effective on the date of passage.

***** The information contained in this document is general in nature - for more specific information please contact the Municipal Office.**
