**Purpose and Effect of Application:** Eco Vue Consulting Services has submitted an application for a Zoning By-law Amendment (ZBA) on behalf of Sean Harris of the Little Building Company for the property located at 17 Indacom Drive, in the former Township of Douro, now the Douro Ward of the Township of Douro-Dummer, in the County of Peterborough.

The subject property is currently zoned Special District 177 (S.D. 177) as shown on "Schedule A1" to By-law No. 10-1996, as amended. The property is developed with multiple buildings to support the primary use by the Little Building Company (i.e., main building for minor constructions such as porches, docks, and decks) as well as accessory uses such as a bakery and frozen yogurt/ice cream shop.

The Owners require the ZBA to permit the development of a miniature golf course on a vacant portion of the property and propose to add this as a permitted use to the current special district. The miniature golf course will have 18 holes and will utilize an existing building on site for storage and maintenance purposes ancillary to the proposed miniature golf course use.

All other applicable zones and provisions of By-law No. 10-1996, as amended will continue to apply.
