## WHAT'S HAPPENING AT YOUR LIBRARY?

### THE DDPL ART GALLERY PRESENTS: KEITH MANSER SHARED SPACE: OUR DIVERSE AND NATURAL WORLD

"Shared Space - Our Diverse and Natural World" is a collection of photographs that provide an up close and personal look at some of North America's wildlife, much of it native to our local area. As a wildlife photographer, Keith prefers darker, moodier images that intrigue the viewer and invite taking a closer look at the photo - placing the viewer in the "same space" as the subject, allowing an intimacy you can't get with a fleeting or distant glimpse. The show runs from March 3rd - April 30th.

### ATTEND THE ARTIST'S TALK: STORIES FROM BEHIND THE LENS

Join The Friends of the Library in welcoming local photographer Keith Manser, to share information about his current art installation and some stories from behind the lens. It is the artist's hope that the attendee will come away with a greater appreciation and respect for other lives in our "shared space", while also gaining an appreciation for the effort that goes into capturing these special moments. March 21st - 10:30AM-noon in the library.

### STARTING APRIL 1st: IMPROV AT THE LIBRARY!

Come join RAPID'S END at DOURO-DUMMER PUBLIC LIBRARY for BEGINNER IMPROV DROP-IN CLASS! Where we learn the basics of improv comedy and storytelling through a variety of fun games and exercises. Come laugh, be silly and have a funny time! Starting April 1st and running on Wednesdays at 7pm for 6 weeks. Ages 15 +
